How about 9:30? Do you have a call in number we can use? If not, I can check with Dinesh to see if we can use his.

I would've replied back to Brian but wanted to figure out the phone line first.

Thanks,

*Ashley*

**Subject:** Modeling Call

Ashley and Melanie,

Shreyas and I can connect tomorrow between 9:00 am and 1:00 or after 2:00 pm to discuss the air quality dispersion modeling analysis for the TGTI DWP application. If tomorrow doesn't work for you, we can find a time on Wednesday or Thursday. Depending on the time, Denise may join us for the call.

Thanks,  
Brian
